AN AMAZING EXPERIENCE AWAITS...

Bring class, elegance and convenience into your bathroom with Mid Ocean Shower Enclosures. Designed, crafted and installed with utmost perfection, these enclosures ensure a class-apart bathing experience. Now, shower-thoughts will be more frequent as you can forget the worries of spillage and enjoy your bath with unmatched relaxation and privacy.

Expect Nothing but the Best!

Mid Ocean is serving you with sheer excellence of bathroom design and fixtures for more than a decade. It's a brand that puts customer satisfaction at first and that's why it became first preference when you chose to introduce that exclusive new touch to your bathroom. Mid Ocean shower enclosures too promise that consistent quality and satisfaction.

WHY MID OCEAN?

Perfect Customizable Design

The bathroom of your dreams turn into reality with Mid Ocean shower enclosures. With years of experience, we understand your expectations and deliver exactly what you want...and you'll have it in days, not weeks.

Precision Engineering

Every customized Mid Ocean shower enclosure carries the expertise, accuracy and workmanship of our dedicated team. They are perfect blend of exquisite looks, performance and durability.

Premium Material

Made with durable high quality materials, Mid Ocean shower enclosure gives you quality assurance like none other. Branded premium glass and exclusive fittings are there to fit every requirement of each customer.

Performance Unlimited

Mid Ocean's faithful commitment towards performance ensure that every shower enclosure give undeterred service and zero performance error.

Great Glass Options

Mid Ocean offers a huge variety of glass options for your shower enclosure. From style, thickness, design to personalized etching, we are ready to spoil you with endless options. We use tempered glass for utmost safety, as it is five times stronger than ordinary glass.

Easy 2 clean - Water & Stain Resistant glass

Our special glass has an ultra thin protective layer of optically clear material, which makes the surface significantly easier to clean and resists weathering. Its stain and scratch resistance feature gives you more durability.

MID OCEAN EASY2CLEAN TECHNOLOGY

With Mid Ocean Easy2Clean Technology say no to stains, scums & hard mineral deposits !!

Mid Ocean **E2C** nano technology process which makes glass surfaces easier to clean by making them water and oil repellent. We admire nature and replicate it for your convenience.

Our **E2C** glass has an ultra thin protective layer of optically clear material, which makes the surface significantly easier to clean and resists weathering by protecting the same and resulting in a glass enclosure that's worth admiration.

THE GLASS IMPACT

With the Mid Ocean **E2C** coating water simply repels of the glass and ensure it stays clean & stain free for years !

Normal Glass

E2C Glass

STAIN RESISTANCE | SCRATCH RESISTANCE | IMPACT RESISTANCE | 20% MORE BRILLIANCE
NO NEED FOR HARSH CHEMICAL CLEANERS | 90% LESS FREQUENT CLEANING | INCREASED HYGIENE
