

## MID OCEAN EASY2CLEAN TECHNOLOGY

With Mid Ocean Easy2Clean Technology say no to stains, scums & hard mineral deposits !!

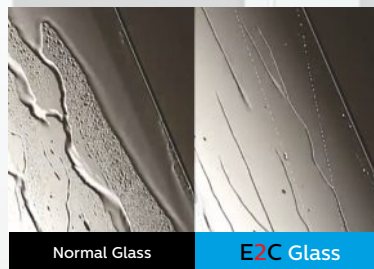

Mid Ocean **E2C** nano technology process which makes glass surfaces easier to clean by making them water and oil repellent. We admire nature and replicate it for your convenience.

Our **E2C** glass has an ultra thin protective layer of optically clear material, which makes the surface significantly easier to clean and resists weathering by protecting the same and resulting in a glass enclosure that's worth admiration.

### THE GLASS IMPACT

With the Mid Ocean **E2C** coating water simply repels of the glass and ensure it stays clean & stain free for years !
